**GOVERNMENT'S SENTENCING MEMORANDUM**

The Government files this sentencing memorandum, and further files two letters from patients of Dr. Mimplitz as attachments under seal as Exhibits 1-2.

With respect to the Defendant's sentencing memorandum, the Government respectfully directs the Court to a line of cases for the proposition that the collateral consequences of a defendant's prosecution are impermissible factors when fashioning a sentence. *United States v. Musgrave*, 761 F.3d 602, 608-09 (6th Cir. 2014); *United States v. Morgan*, \_\_Fed. Appx.\_\_, 2015 WL 6773933, pp. 17-19 (10th Cir. 2015); *see generally United States v. Stefonex*, 179 F.3d1030, 1038 (7th Cir. 1999).

For a general discussion of the dangers of distributing Human Growth Hormone, the Government respectfully refers the Court to *United States v. Shortt*, 485 F.3d 243 (4th Cir. 2007). The Government defers to the Court to fashion a sentence that is just and fair, considering all appropriate statutory factors.

Respectfully submitted,

RICHARD G. CALLAHAN  
United States Attorney
